

Palliative Care: Science, Perceptions and the Patient Experience

Saturday, November 11, 2017

10:00 a.m. – 11:15 a.m.

Speakers

Areej El-Jawahri, MD

Eric Roeland, MD

Moderator

Christina Ullrich, MD, MPH, FAAHPM

Session Objectives

At the conclusion of this session, attendees will be able to:

1. Synthesize the evidence-base for palliative and supportive care in HCT.
2. Discuss HCT physicians' perceptions of and attitudes on the gaps in delivering palliative and supportive care.
3. Recognize the collaborative role of the multi-disciplinary care team in meeting palliative and supportive care needs of HCT patients.
4. Discover barriers to palliative and supportive care and the patient/caregiver experience.

Agenda

Introductions	5 minutes
Presentation	60 minutes
Question and answer	10 minutes
