Areas of Measurement Interest

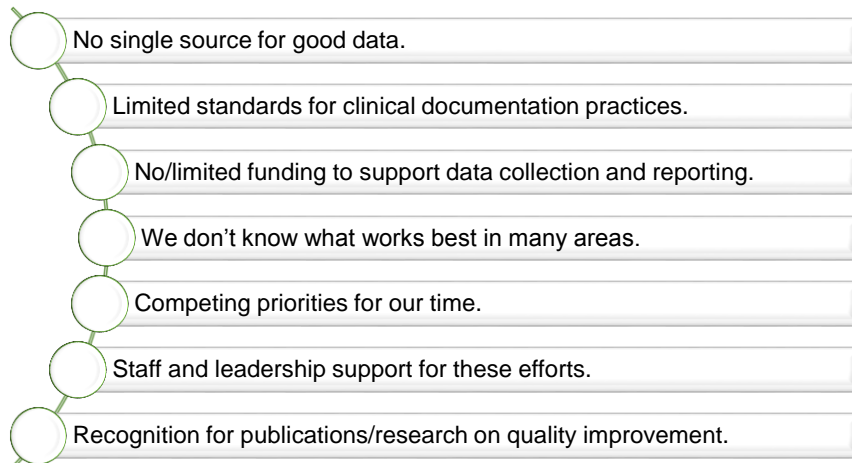

BE THE MATCH

Aligning Quality and Value in HCT
July 15-16, 2015

Challenges

Value

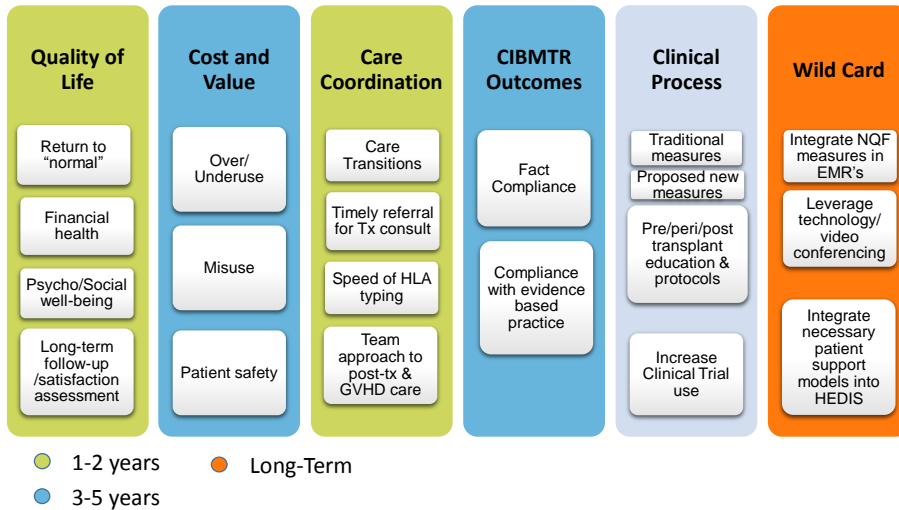

Identified Priorities

- Emerging payment models
- Variations in clinical pathways
- Financial hardship for patients/families

Areas of Measurement Interest

Where do we go from here?

How do we divide the work?

How do we lead collaboratively?

Real-Time Feedback

- What was the most useful thing that happened here?
- What needed to be discussed, but wasn't?
- What will you do differently as a result of this meeting?
- Anything else?
