

Applying Quality Methods to Improve Patient Outcomes

Saturday, November 11, 2017

3:30 p.m. – 4:45 p.m.

Speakers

Dennis Gastineau, MD

Navneet Majhail, MD, MS

Session Objectives

At the conclusion of this session, attendees will be able to:

1. Identify relevant FACT standards that apply to improving patient outcomes.
2. Evaluate areas of clinical focus for your center to consider in developing a patient outcomes quality improvement strategy.
3. Assess your role in implementing a quality plan to improve patient outcomes at your center.
