

# Beyond Transplantation: Creating Standardization Across the Cell and Gene Therapy Industry

Saturday, November 10, 2018

10:00 a.m. – 11:15 a.m. & 3:30 p.m. – 4:45 p.m.

## Speakers

Amy Hines, BSN, RN, Heather Steinmetz, MPH, Hope Guidry-Groves, BS, Dawn Henke, PhD, Ann Kemp, M.T. (A.S.C.P.), C.Q.A., R.A.C.

## Session Objectives

At the conclusion of this session, attendees will be able to:

1. Identify two or more ways to prepare their institution for requirements of cell and gene therapy activities.
2. Access Be The Match BioTherapies support resources available when implementing new protocols or cell and gene therapy requirements.
3. Describe how to participate in developing standards for cell and gene therapy.

## Conflict of Interest/Financial Disclosure

The planners and speaker(s) have disclosed the following financial relationships and/or conflicts of interest:
