

Exploring Clinical Trials: The Quest for Research

Saturday, November 10, 2018

12:30 p.m. – 1:30 p.m.

Speakers

Steven Devine, MD

Session Objectives

At the conclusion of this session, attendees will be able to:

1. Explain how clinical trials have advanced treatment options for patients with hematologic diseases
2. Identify 3 new treatments that are being explored right now in clinical trials
3. Explain how the Jason Carter Clinical Trials Program can help you connect patients to clinical trials
