Role of the APN	
Total ILNA Points	35

*Note that the course content applies to multiple content areas across multiple credentials. The numerical value indicated above is the maximum amount of points that can be claimed in each domain. The total amount of ILNA points claimed may not exceed the total amount of CNE awarded from this course and may only apply to the credential you are renewing. Please also note that Individual nurse's learning plans are linked to the ONCC Test Blueprint for the certification they hold. Review the test blueprint to determine where the content fits. Current ONCC Test Blueprints can be found:
